

Dear Parents,

Welcome to Preschool! Children grow in so many remarkable ways between the ages of three and six. We are excited to join together to set the tone and lay the foundation for each child's educational career.

Important information:

- Your child's teacher is: Becky Vera
- Preschool sessions: 8:55-11:25 AM 12:35-3:05 PM

Items each student will need:

- Backpack or school bag.
- Change of clothes (these will be kept in the backpacks)
- Diapers and wipes, if needed
- **Please write you child's name on his/her backpack and any coat tags or sweaters they might wear to school.** Every year we have coats and sweaters left on the bus or on the playground and we don't know to whom they belong.
- **Transportation:**
Parents of Special Education Preschoolers will be contacted by transportation about busing.

We look forward to a wonderful year of learning together! Please know that we value your input and could not do without your support. You are always welcome to call, offer suggestions or visit. Thanks for working with us to create a wonderful year for your child.

Your Preschool Team
