EXEMPTIONS

PERSONAL RELIGIOUS & MEDICAL

All **new** students, students entering **Kindergarten and 7th grade** the legal guardian must complete an on-line educational module (free of charge) and provide a copy of the completed form to the school official. The on-line course can be found at www.immunize-utah.org. *Completion of the on-line educational module can be done at the Health Department if you do not have access to a computer.* For a **medical exemption**, a written note from a licensed health care provider must be provided along with a copy of the completed on-line educational module. It should state the physical condition of the student, and why that vaccine would endanger the student's life or health.

Results of a completed **TB test (PPD)** given in the U.S. within 90 days or results of a chest x-ray taken within the last year must be presented before school attendance begins by all students who have moved in from a foreign country (except Canada) or who have been out of the country for 6 months or more.

*A child may be allowed to attend school "conditionally" if at least one dose of each required immunization series has been completed and the child is **currently on schedule** to finish the rest. The remaining immunizations must be completed **on schedule** for the child to remain in attendance.*
