Ms. Alyssa

all about me

I am excited to work with your student this year! This is my seventh year working at the preschool and am so happy to be back! I am the Teacher Leader here at Sunrise, which means I have the opportunity to work with your child during the school day, as well as mentor our other teachers at the preschool!

I graduated from Utah State University in 2017 with a Bachelor's in Elementary and Early Childhood Special Education. I grew up in Virginia, very close to Washington, D.C. and miss the trees and historical sites, but have loved my time in Utah!

We are going to have a great year! I cannot wait to see how much your child learns and grows! If you have any questions or suggestions for me, please reach out at any time using the contact information below!
